

Optical Fiber 24 – 48 - 144 cores:

- 1.** SM Multitube Dielectric Duct Lite Optical Fiber cable ITU-T G.652D
- 2.** Non metallic
- 3.** Outer diameter for 24F less than 11 mm
- 4.** Outer diameter for 48F less than 11 mm
- 5.** Outer diameter for 144F less than 17 mm
- 6.** Minimum installation bending radius 20 x outside diameter
- 7.** Minimum operation bending radius 10 x outside diameter
- 8.** Maximum tensile strength at installation: 3000 N
- 9.** Crush Resistance: 2000 N/100mm
- 10.** Outer Sheath UV Proof Black HDPE
- 11.** Core wrapping with glass roving yarns
- 12.** Water Swellable yarns
- 13.** Ripcords
- 14.** Central Strength Member
- 15.** Identification Tape
- 16.** Water Blocking Tape
