**الموضوع:** طلب عروض أسعار - صيانة لوحات التوزيع الكهربائية في المركز الرئيسي وفروعه كافة - رقم التسجيل SD00377-23  
**المرجع:** أسئلة - الأجوبة التوضيحية

بالإشارة إلى الموضوع والمرجع المبينين أعلاه،

بناءً على الأسئلة الواردة من الشركات، يود مصرف لبنان توضيح التالي والمبينة في اللون الأحمر

- 1- Advise if it is requested to include the letter of guarantee to our tender submittal file.

Required as per the TOR.

- 2- Send us the single line diagram of BDL, Hamra Branch.

This diagram is not part of the TOR, it will be made available during the contracted period.

Advise if it is required to include to our offer the data sheets items of BDL spare parts list.

- 3- Or this section to be provided after award.

These items should be included in the offer as per the TOR requirements

- 4- For corrective maintenance, advise if possible whether the expenses of the accessories (such as wires, cables, busbar...) used during intervention will be covered by BDL.

All unforeseen accessories and correction maintenance fees will be invoiced to BDL upon BDL's approval.

- 5- Our scope of work is restricted to the panelboards as per the BDL tender. Any corrective intervention outside the panels is excluded from our offer. Kindly confirm.

Confirmed, knowing that power and control cables that are directly connected to the panels are included.

- 6- During our site visit to the BDL branches, we noticed that many panelboards are excluded from BDL BOQ. You will find below the list of the skipped panels;

Noted

- 7- We require the end user to sign their terms and conditions as attached Sample accompanied with the offer.

Kindly note that BDL can't sign any document before the technical and financial evaluation is complete and the party selected for the contract is announced.

All legal documents are subject to the approval of BDL legal department.

**8-** We only accept fresh USD Payments

**BDL pays in LBP as per the payment terms and conditions stated in the TOR**

**9-** Regarding Spare Parts, we can only provide our branded products,

**This is subject to BDL evaluation and scoring.**

**10-** We will align with our local partner to provide a complementary solution to provide the recommended services by our company.

**This is subject to the terms and conditions of the TOR documents especially clause 5.**
