

COUNCIL FOR DEVELOPMENT & RECONSTRUCTION

Republic of Lebanon Council for Development and Reconstruction

Request for Proposals for Consulting Services for The Feasibility Study of Beirut – Bekaa Transport Link

The Council for Development and Reconstruction (CDR), representing the Government of Lebanon invites proposals to provide the consulting services (hereinafter called “Services”) for “The Feasibility Study of Beirut – Bekaa Transport Link”.

The Objectives of the Feasibility Study cover:

- An analysis of the potential demand for freight and passengers.
- Identification of suitable technical alternatives.
- An assessment of economic impacts.
- Evaluation of environmental, social and spatial constraints.
- An appraisal of the national and regional dimensions.
- Exploration of funding options (including possible participation of private sectors) and institutional frameworks.

A two-stage procedure will be adopted in evaluating the proposals, with the administrative and technical evaluation being completed, then than the minimum required score prior to any the financial proposals with a technical score higher than 75 point will be opened and rated.

The combined score for each proposal will be arrived at as follows: the points for the Technical Proposal will receive a weighting of 75 percent while the points for the Financial Proposal will receive a weighting of 25 percent.

A complete set of the RFP documents in English may be purchased by interested eligible bidders as of **Friday August 21th, 2026**, at the below address and upon the payment of a non refundable fee of One Thousand US Dollars (USD 1000), in Cash.
